After writing [https://www.reddit.com/r/Superstonk/comments/pi1lqj/the_proshares_decline_of_the_retail_store_etf/](https://www.reddit.com/r/Superstonk/comments/pi1lqj/the_proshares_decline_of_the_retail_store_etf/) i tried to find more information about the "Holdings" of EMTY and also CLIX. As of today those are

SOLACTIVE-PROSHARES BRICKS AND MORTAR RETAIL STORE INDEX SWAP UBS AG

SOLACTIVE-PROSHARES BRICKS AND MORTAR RETAIL STORE INDEX SWAP SOCIETE GENERALE

SOLACTIVE-PROSHARES BRICKS AND MORTAR RETAIL STORE INDEX SWAP GOLDMAN SACHS INTERNATIONAL

(in my last post i also mentioned a similar swap by Credit Suisse, but that's no current holding)

I can't find anything about those "Products".

My goal was to find more about those, like dates, volume, maybe even other holders of those swaps than these ETFs - as i can't imagine our friends at Shitadel etc. use those ETFs. they probably hold the swaps itself.
