****THE KEY TO LOCKING FLOAT:****

There are SO many more GME holders outside of Reddit than there are on Reddit and most of them have no clue about DRS. That is why we created and are still working on www.drsgme.org. **The word about DRS needs to be spread to the masses outside of Reddit.** The site also counters MSM narrative that GameStop is a “dysfunctional Gm brick and mortar video game store.

If every ape would just try to reach 1 other person outside of Reddit every day, the float would be locked in no time! If we could get DRS trending on Twitter, that alone could drastically speed up the rate of DRS. [One of my Twitter scripts](<https://twitter.com/millertime1216a/status/1521322107547791360?s=21&t;=0YKI0BwglglQoWzPwtNnA>) Do whatever you can to advertise drsgme.org on social media and online and IRL. Twitter, FB, bumperstickers, yard signs, or anything.
