Once upon a time an Ape made a bet, and when the time came to fulfill that bet, that Ape took a banana and put it where he said he would. That Apes name was Rick of Spades. He should be remembered for his work towards world peace.

As we speak, in r/place at the location of 1347, 1786 to the right 1374, 1786 and then down a few pixels a GME group is attempting to place BUTTSTUFF 4Peace(emoji) RICK of Spades. We are few although we are a part of a group that is many. Are there any Apes that have a few pixels to spare? For Buttstuff? Buy, Hodl, DRS.
