I never thought I would be a XXXX holder. Thank you Ryan Cohen and GameStop. Love what you are doing with our company! Loyal forever (and I'm not even a gamer!)

P.S. I've written my share of letters and comments to the SEC. Hard to keep up the fight when Gensler comes on talking about crypto and how they need to protect us from market manipulation like they do with stocks. But I will stay on it. Please do the same Ape family. It's important.
