I'm a long term hodl'er of the GME but only now have been given my first chance to vote. I also haven't been keeping up with anything to do with GME for a good while now, who do we want in? Matthew furlong, Alan Attal, Larry Cheng, Ryan Cohen, James Grube, Yang Xu. I know the obvious of Ryan Cohen... But among the rest..

Also for or against on "Provide an advisory, non-binding vote on the compensation of our named executive officers"? I'm leaning to for so that Ryan gets a nice big slice of the pie on my behalf.

Are Deloitte & Touche LLP a good accounting firm for GME?

And finally "Approve an amendment to our Third Amended and Restated Certificate of Incorporation to increase the number of authorized

shares of our Class A Common Stock (the "common stock") to 1,000,000,000"

I assume we want this from a thread I read previous.
