The lost city of gold, famously known as El Dorado is the greatest imagination that lead many on a fruitless quest. Anybody or any entity that found El Dorado would have been the richest person/entity to every exist. El Dorado has become an abstract ever since, until a man by the name DeepFuckingValue found the keys (DRS) to the lost city of gold(GME). I believe that the lost city of gold, aka GMERICA, belongs to the apes. And the greatest transfer of wealth has begun, that is what the top 1% cant stand. Guess what, its easy for us to hodl.
