If you are a UK Ape, can you go direct to the Bristol office with identity proof and open the account and verify? I haven't seen where someone has tried or asked the question. It would be a game changer for many who are looking to complete quickly or for the Ape that is coming into £150,000 here soon and wants to expand his GameStop position. Any wrinkle brains out there that know the answer? And remember, tomorrow is the day. That is all.
