We watched the entire market fall. We watched the crypto market fall. And GME is currently green on the day. This should reassure you that all the DD has been right. The price is wrong. To watch Netflix collapse overnight, hidden behind the earnings news. They will use headlines to mask their moves, but if you look closely, nothing has changed. where are these firms going to get their money? from the rest of the market, from everything else they own. Market down, GME up.
