You people are amazing. I just wanted you all to know that. Every single one of you. The NFT marketplace is so neat. So well done. I can't seem to get money in my account in any decent way currently, but the fomo is definitely real. I know I'm missing out. I'm watching history in the making and I'm just so incredibly proud to be invested in the company that made it happen. I guess this message is a huge ****THANK YOU**** to GameStop, the SMRT team, an awesome amazing super cool group of people running the boardroom, and investors alike. Thank you. So much. I think a lot of people needed something to believe in during a really rough time and this company has been right there every step of the way. Let's Fucking Go. iBelieve. **■** to the motherfucking moon, Uranus, who even cares. This ride is the best bus I've ever been on and I'm so pumped for the future and to see where all this goes. 🙌 **■** ape out.
