Round of applause to RAB and RAL for their hard work on getting this place rockin n' rollin and to the fine people filling this sub with incredible material.

As you know, GME has posted their [NFT Site](<https://nft.gamestop.com/>) showing a white dot on the top right hand corner of the page that leads you to the [Banana Cat Runner Game.](<https://nft.gamestop.com/runner.html>)

There are times we work hard and there are times we play hard. The intention of this post is to pull you away from your day to day and help you unwind a bit, with a bit of friendly competition.

Join us in posting your scores along with answers to the following two questions:

1. What financial topic are you both passionate and knowledgeable about? (in progress counts)
2. What financial topic are you interested in learning about? (in progress counts too)

See if you can beat mine■ 20k is on the horizon...
