I just go to Documents tab the day after the transfer (which is still a day before it shows as missing from my other account) and there it is! I posted my last 118 last week, and my snail mail letter just arrived yesterday. Can't our international friends also do this from the website?

Do we know how much CS holdings have gone up in the past 6 months? It would be fun to see the impact.

Love GME based on fundamentals alone.
