Link to their website [buy 2 get 1](<https://www.gamestop.com/video-games?pmid=E0083&sv;=new>), theyre currently fighting against amazon. I know most of us have all of our cash in our shares that have been DRS'd, right? If you have any spare change laying around and have not bought Elden ring (highly recommend) or many new gen games (53 pages of games) stop by on their website and check it out.

Buy, hold, DRS. GME.
