Stock Split

On July 6, 2022, GameStop announced a 4-for-1 stock split in the form of a stock dividend, effective as of July 21, 2022, for stockholders of record on July 18, 2022. Tax information related to this stock split can be found [here](#).

GameStop Guidance for International Stockholders with Split-Related Questions

GameStop has notified its transfer agent and the Depository Trust Company ("DTC") that some of our valued stockholders in international geographies are still trying to determine if they have received the proper stock dividend associated with the Company's recent 4-for-1 stock split. Please note GameStop has already distributed the shares of common stock required for the stock dividend to its transfer agent, which has confirmed it subsequently distributed the appropriate number of shares of common stock to DTC for allocation to brokerage firms and other participants. We recommend that stockholders using a brokerage firm contact that firm with needs or questions. Stockholders may want to make their brokerage firm aware if they recently moved shares to the Company's direct registered list, as we have been informed this move could impact a firm's distribution of shares.

We appreciate your investment and enthusiasm. Although we are not able to engage with individual brokerage firms, we are monitoring this situation and will keep you informed of any relevant updates we obtain through our transfer agent or DTC.

please forward my concern to your compliance department and advise accordingly. thank you

so robinhood did not receive any additive shares from the DTC to apply to brokerage accounts, so instead simply multiplied current values to simulate receipt of those additive shares?

Ok as I can't find anyone previously having raised this issue, I will have to reach out to make sure I get you the right answer. That means that I will have to move this to email and reach out again when I hear back from our corp actions team.

a response from your compliance team would be most appropriate

They will reach out to all necessary depts to find an answer for you. Is there anything else I can help you with before I move this case to email?
