So as I understand it, Ryan Cohen knew the DTCC (being as corrupt as it is) would screw us over. He expected them to lie and treat the splividend as a simple split. But RC plays 4D chess. Not only has this highlighted internationally the level of corruption that the DTCC is a complicit party to, he's provided us the ammo to DRS our stonk 4 times as quickly. We can buy at a quarter of the price, and DRS 4 times quicker.
