Hi Guys,

I'm an XXXX HODL GME.

Also, I lost a quarter million on GME calls this March. yuck.

But I still HODL my shares and like the stock. I was talking to my brother and he mentions that his kid is starting up an NFT newsletter. Wow, I thought, so I just texted my nephew and got the link:

I did a quick read and found that he talked about the GameStop NFT Marketplace two weeks ago. (it was a little snarky, he is 20 something) So, please take a look. If we are going to have a successful market place, I think every NFT publication needs to know about it.

I also pushed him to read [r/superstonk](<https://www.reddit.com/r/superstonk/>) and [r/GME](<https://www.reddit.com/r/GME/>)
