This post is currently rising on the big subreddit

[https://www.reddit.com/r/Superstonk/comments/ogf3nh/power\\_to\\_the\\_players/?utm\\_medium=android\\_app&utm\\_source=share](https://www.reddit.com/r/Superstonk/comments/ogf3nh/power_to_the_players/?utm_medium=android_app&utm_source=share)

The poster combined serveral screenshots to create an easy to digest - and easy to boost- version of a misinterpretation of regulations, claiming that only 10 minutes notice is required to issue a dividend.

The actual regulation states that at least 10 minutes notice must be given to NYSE before a media announcement.

Even OP of the original misinterpretation agrees that he is likely wrong
