Sent my first GME share as a test, rest now to follow! The whole process from start to finish took less than a month and would have been quicker if it wasn't for the festive period and some delays on my part. To anyone still thinking about doing it the step by step instructions I followed were found at [https://www.reddit.com/r/superstonkuk/comments/qudt7f/drs_from_revolut_to_computershare_without_third/](https://www.reddit.com/r/superstonkuk/comments/qudt7f/drs_from_revolut_to_computershare_without_third/)
