[Michael Burry, Jeremy Grantham, and other top investors are predicting an epic market crash. Here are their gravest warnings so far](https://www.businessinsider.com/michael-burry-jeremy-grantham-predict-epic-stock-market-crash-warnings-2021-7?amp&utm_source=reddit.com)

Some have seen this from the off, but now it's coming in to the public consciousness, with the very first threads starting to seep through from mainstream media. What's your opinion on this? Are you prepared? Or do you just think the bears are being paranoid?
