Airforce 1 just left Jointforce Andrew's a few minutes ago and is currently over eastern Delaware 16,000 feet - 470 knots heading east towards at the Atlantic Ocean as of 11:20 AM EST. The President is going to visit New York City to discuss rising Crime.

Our GME is currently up about \$2.00 USD as of now. GME to the moon ■ !

Edit : Airforce 1 is currently off the coast of New Jersey heading north-northeast at 16,700 feet at 470 knots.

Edit : Due to the President safety I am updating with a 15 minute delay.

Edit : Airforce 1 is approaching Long Island New York and is decending at and is currently at 10,000 Feet.

Check back later for I will update as information becomes available.
