Hi my fellow apes,

I just activated 2 days ago my GameStop Wallet, I'm not interested in buying NFTs till GameStop reveals their Marketplace and I know in how I should spend it, I hope in exclusive skins for games or other things related to it.

Anyways, if someone needs their wallets to be activated, just tell me how should I do it and I will send you the 1\$ You need it.

Just trying to build the best community we should have for a better world.
