Tips for thriving in a crypto bear market

Ad • Bybit

Amid a bear market for the S&P 500 and Nasdaq Composite indexes, lower valuations have dramatically improved the investment theses of many but not all stocks. Warren Buffett's mentor Benjamin Graham liked to say that in the short run, the market is a voting machine, but in the long run, it is a weighing machine, and not all stocks will support their weight well. While hype may drive stocks for a time, investors will eventually value stocks on competitive advantages and financials.
