four things: CTR shorts across the board, swaps, puts, and a suspected count of counterfeit-shares-already-sold-short that may very well make up 10x of the tradable float

GameStop

MOASS

\$GME Calendar (MOASS in progress: Business Day 2 of 69)

MOASS Phase 0 (Avengers)	(71.2% spike over 2 days)
Friday, May 27th (tomorrow)	Huge call options expiry and exercise (anticipating surprise RC announcement). Seeing TOP GUN Maverick.
Saturday May 28th	Weekend (markets closed)
Sunday, May 29th	Weekend (markets closed)
Monday, May 30th	Memorial Day Holiday (markets closed)
Tuesday, May 31st	Huge share delivery straight to DRS
Wednesday, June 1st	
after hours that evening	GameStop Q1 2022 Earnings (June 1st, 5:00pm EST)
Thursday, June 2nd	Shareholder Meeting, Split-Ratio announcement (with possibility of announcing shareholder date of record for the dividend) and Possible NFT market release if still unannounced
Friday, June 3rd	Huge call Options expiry and exercise, and Split-Ratio announcement if still unannounced
MOASS Phase 1 (Age of Ultron)	Pre-Date-of-Record Share-buying FOMO
Friday, June 10th	Anticipating Stock Dividend Date of Record for Shareholders
MOASS Phase 2 (Infinity War)	Margin calls. Beginning of short buy-ins to cover.
Friday, June 17th	Anticipating Stock Dividend Distribution and Share Split
MOASS Phase 3 (Endgame)	Margin Liquidations, of short buy-ins to cover. GameStop stock reaches 'Phone Number Digits' and becomes the highest market cap company in the world (similar to how Volkswagen achieved that same trophy during the down-market of 2008/2009)

This is My Calendar for the fridge - real dates and reasonable expectations for Dividend. Some suspected dates and avengers themes, but nevertheless, it plays into technical dates that relate to distribution of the \$ G M E shareholder stock dividend
