GameStop Stock Set to Level Up With Adoption of Dogecoin and Shiba Inu Cryptos

GameStop stock is partnering with Flexa to allow crypto holders to pay for goods in new ways

3d ago · By Brenden Rearick, InvestorPlace Assistant News Writer

Meme stocks and pupcoins are the peanut butter and jelly of investing — they go together so well. There's no doubt that these two asset classes are colliding this year. Now, investors are seeing the assets combined in a way not seen before. **GameStop** (NYSE:[GME](#)), the
