I have browsed Reddit for an hour this morning, and have only seen four purple ring posts. The options distraction is working! We are arguing amongst ourselves instead of trying to encourage people to use the silver bullet; DRS! The percentage of wrinkle brains on this sub and SS are too small to justify the amount of options talks there are. Most of us are as smooth as Nostradanus' butt cheeks, and we won't be playing options, so can we get back to DRSing and sharing those sweet purple rings! We're near the end. Let's go for the final push of DRS! (Obligatory GME reference)
