A man with a serious expression is shown from the chest up, holding a mobile phone to his ear with his right hand. He is wearing a dark-colored shirt. The background is dark and out of focus.

I don't know who you are. I don't know what you want. If you're looking for me to sell, I can tell you that I keep buying GME, and I have a particular set of shares. DRS'd shares that make me a nightmare for people like you.

If you pay what they are worth now, that will be the end of it. I will not read more dd, I will not upvote more purple circles. But if you don't, I will buy more GME, I will DRS GME, and I will hodl to infinity.
