> \*\*\*Update: Jan. 13, 5:42 p.m.:\*\*\* \*A spokesman for Sen. Marshall said he plans to introduce the “Financial Accountability for Uniquely Compensated Individuals (FAUCI) ACT, which requires the public access of financial disclosures on the official Office of Government Ethics (OGE) website for administration officials like Dr. Fauci. The FAUCI Act would also provide a list of all confidential filers within the government whose financial disclosures are not public.”\*

While this is intended to target Fauci, it will apply to many other people as well. If it passes it might be worth taking a look and seeing who does business with Citadel, Point 72, Goldman Sachs, etc.

Also if any of them are holding shorts on GME...
