This is just my 69 420 000 cents but being a January ape means you bought GME last January. So if you were a January ape last year then this is a anniversary buying opportunity. And for all the new smooth brains that would like to be called January apes then you must buy in January. Yet another buying opportunity. Lets make this January an anniversary party. A party of buying.followed by DRSing. An anniversary party that wont be forgot. Remember remember January forever. Buying and drsing for moass.
