Bawngiorno fellow Apes, am Italian ape 99% DRS'd still hold some GME on Intesa San Paolo and had to ask (again, like last year) for the meeting notice. This year, after stating the shares are held in street name, they sent me a pdf with only the voting question stating tHiS iS tHe OnLy wAy tO cAsT YoUr vOtE. OH MAMMAMIA!!!! they also stated they're unable to provide the personal control number because they have only one for all the shares held with them so they'll tally our ballots aNd VoTe aCcOrDiNgLy !

Tokk a look and guess who's behind it..... >!Blackrock ! !<

Personal take, of couse they own a buch of IOUs and not even the real number

You smell the desperation, even here in the Mediterranean
