My dads neighbor who lives on the beach in south Florida mentioned to me today that he thought it was great that Citadel was moving to Florida. Mentioned how it was a good sign Ken ■Griffin was moving his company to Florida and it would create lots of 200k plus jobs!

I wanted to say your fu@kin crazy and makes me realize shits about to hit the fan! Think about it, Ken is from Florida, so where does one go home to hide???

F@ck him and Citadel, been holding GME since Jan 21'. ■■
