[here is the newest filing for November 4th 2021](<https://gamestop.gcs-web.com/node/19531/html>)

[here is the filing from March 25th 2014](<https://gamestop.gcs-web.com/node/12981/html>)

This is not only data but a request on where dividends are mentioned. I searched for the word in the 2014 document what I found was under: Voting Rights, Dividends, Etc.

6.2 Unless and until a Cash Dominion Event shall have occurred and be continuing, the Pledgors shall be entitled to receive and retain any and all cash dividends paid on the Pledged Collateral to the extent, and only to the extent, that such cash dividends are permitted by, and otherwise paid in accordance with, the terms and conditions of this Agreement, the Credit Agreement, the other Loan Documents and Applicable Law. All noncash dividends, and all dividends paid or payable in cash or otherwise in connection with a partial or total liquidation or dissolution, return of capital, capital surplus or paid-in surplus, and all other distributions (other than dividends and distributions referred to in the preceding sentence) made on or in respect of the Pledged Collateral, whether paid or payable in cash or otherwise, whether resulting from a subdivision, combination or reclassification of the outstanding capital stock or partnership interests of the issuer of any Pledged Securities or received in exchange for Pledged Securities or any part thereof, or in redemption thereof, or as a result of any merger, amalgamation, arrangement, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise, shall be and become part of the Pledged Collateral, and, if received by the Pledgor, to the extent required to be paid to the Agent pursuant to the terms of the Credit Agreement or the other Loan Documents, shall not be commingled by the Pledgors with any of their other funds or property but shall be held separate and apart therefrom, shall be held in trust for the benefit of the Agent and shall be forthwith delivered to the Agent in the same form as so received (with any necessary endorsement).

6.3 Upon the occurrence and during the continuance of a Cash Dominion Event, all rights of the Pledgors to dividends that such Pledgor is authorized to receive pursuant to Section 6.2 above shall cease, and all such rights shall thereupon become vested in the Agent, which shall have the sole and exclusive right and authority to receive and retain such dividends. All dividends received by any Pledgor contrary to the provisions of this Section 6.3 shall be held in trust for the benefit of the Agent, shall be segregated from other property or funds of such Pledgor in accordance with the provisions of Section 2.21 of the Credit Agreement in the same form as so received (with any necessary endorsement). Any and all money and other property paid over to or received by the Agent pursuant to the provisions of this Section 6.3 shall be applied in accordance with the provisions of Section 8.

My goal with help is to compare the 2 Documents and see exactly how dividends were changed. I understand in the 2021 filing it says "certain dividends restricted" but is that really a change from the past?

Edit: someone super found this on 2021 filing page 217:

(b) Holdings and each of its Restricted Subsidiaries may declare and make dividend payments or other distributions payable solely in the Equity Interests (other than Disqualified Equity Interests not otherwise permitted by Section 9.3) of such “
