- 1) Does a transfer agent hold shares or do they merely keep the records for Gamestop?
- 2) Let's say crazy world events happened and Computershare is no more, Gamestop still retains these records and just assigns a new transfer agent?
- 3) When I searched for how to DRS via Fidelity some reddit threads popped up from 7 months ago. I'm thinking lot of brokers have their staff trained to do DRS now. Do you call or use Fidelity chat feature and just ask for Direct Registering?
