Hi [REDACTED]

On [Saturday, January 29, 2022](#), we sent out a newsletter with our Top 5 tickers of 2021 at Questrade (USD).

The image contained an error on the spelling of the ticker symbol AAPL and also an error on the company names of the 4th and 5th most traded tickers. The correct symbols are:

#4 of 2021 - NVDA (Nvidia corp.)

#5 of 2021 - AMC (AMC Entertainment Holdings Inc)

We apologize for any inconvenience.

Thanks,
Team Questrade
