Hi,

Smooth brain ape here, needs som wrinkles.

First of all, january sneeze ape here, and still smooth brain...

Whats the record day for the stock split?

I want to buy 20x more shares today, but are they eligible for the stock split if I buy today?

I dont want to end up buying shares for 150 a piece, and not receiving stock dividend for those shares.

Can anybody help and explain in smoth brain ape language?
