

Title: Question: if on record date (lets say Apr 15) I hold my tickets at a broker, then DRS them, do I get the dividend in my brokerage or in CS?

Hi Apes. It may be too early to discuss this, we don't know when the record date even is, but I read that it may be before April 15th. Ryan Cohen will announce the date, right? And so on the record date, does it matter where my shares are? Is the record date only for voting (in which case it doesn't matter) or for the dividend as well? What is the record date for the dividend - do we even know?

June 9th is about 63 days from now, and the issuance of the dividend may take a bit longer, maybe a month? Basically I'd like to get all my dates straight. Thanks in advance.
