Please provide any additional comments or suggestions about the service you received or ways it could be improved.

Hannah was wonderful. Knew right who to contact to make meeting my needs quick & easy. She was friendly, courteous and didn't try to pressure me in any way about my decisions. The transfer went through smoothly and quickly. The one thing I will say, if Fidelity wasn't loaning out my shares to begin with, there wouldn't have been a reason for my call, but Hannah was great!
