I mean seriously, society is off the fucking rails...

Parents don't have a say in their child's education, with school boards telling parents, who pay their fucking salaries, that they don't have a say? WTF?

The Education Secretary emailed asking for parents who disagree to be labeled TERRORISTS by the DOJ, and they fucking did it? WTF?

A 24 year old grad student gets murdered, stabbed to death in the middle of the day at a furniture store? WTF?

An Asian woman gets pushed in front of a NYC metro train and dies. Again, WTF?

These are all a result of liberal ideology. These people are fucking criminals. Letting them go free creates more crime.

It's called incrementalism. My family used to laugh at me about my theory. Turns out I am fucking right. You let people get away with small crimes, it turns into bigger crimes. That's the way it is, and that's what liberals have been advocating. "Oh, he stole a pair of shoes, no big deal"..... and next week it escalates. Don't deny it, you can't.

Running a stop sign, meh.... speeding, meh.... drunk driving... whoa there, that's fucking revenue you dumb fuck. We'll enforce that one. And guess what, if you have enough money, you don't fucking care. If you're poor, you don't fucking care. If you're average Joe who had too many on bowling night, you pay because you have a family, obligations, etc. The rich pay a lawyer, the poor just sit in jail for 30 days, they don't give a fuck, but you, the middle class fucker who messed up, will pay THOUSANDS to make sure you can still work and pay your bills.

This is a totally fucked system. FUCKING MOASS ALREADY! Society needs it.

The left thinks they'll reform on their own.... ARE YOU EVEN FUCKING CLOSE TO BEING SERIOUS? You shit bag cock suckers!

I am venting from my posh suburban home, and I don't really give two fucks about you assholes destroying each other all day, every day. My concern is for the innocent who get caught in the crossfire of your stupidity. FUCK YOU ALL, and FUCK JOE BIDEN and KH, NP, HR (oh, he's dead, fuck him anyway), Chuck Schumer, that POS AOC, Gretchen Whitmer, that a prize winner right there.....

MOASS GME baby, we need to fix this bullshit, and fast.
