- 1) we're gonna be SO damn rich
- 2) If you are still here holding and DRSing, you are a BOSS
- 3) When this is all over, don't forget who you were before you got paid
- 4) Use your wealth to lift people up, not keep people down.
- 5) Remember the struggle, not just for us, but for those who didn't even know what has been done to them, but found themselves on the receiving end of a heel to the face their entire lives. Make sure no one ever has to love in that kind of world again.
- 6) If you ever wind up in Tampa Bay (FL), hit me up, let's grab a drink.
- 7) I argue alot, but am proud to call you my ape bros and sis's
- 8) Does anyone know how to get Reddit to unban my 10 year old account? (Current one is barely 2 months old. I fight too much on the internet)
- 9) whether days, weeks, months, or somehow years (doubtful on years), remember your last few moments of being poor/feeling irrelevant/feeling lost.

Your whole world is soon going to change!
