## Key Points

- GameStop stock is in a downtrend.
- In a downloadable game market, GameStop lacks significant competitive advantages.
- GameStop appears headed for flat revenue growth.

## Motley Fool Issues Rare "All In" Buy Alert

**GameStop** ([NYSE:GME](#)) quickly became one of the hottest meme stocks during the pandemic. Since mid-2020, it has gone from penny-stock status to a high of more than \$480 over a six-month timespan
