Welcome to Econiverse!

Econiverse is a free and open source website that was created as a collection of resources for those who wish to learn more about finance. The page is highly digestible. You shouldn't have to pay anything to learn about finance.

While Econiverse was inspired from the misinformation and widespread panic surrounding GameStop stock, it is not restricted to it! If you can [contribute](#) directly to the site, please do so. If you have a [need](#) for something, please submit a [issue](#) or start a [discussion](#).
