Consider this my formal application to this community.

I am on a mission from your God to help people. Help people in ways Ryan Cohen, and Game Stop help people.

ALL I WANT TO DO IS HELP PEOPLE.

First time poster, long time retarded. I've been told I'm not the only one. We're like birthdays, there are literally HUNDREDS of us.

I had a long term Reddit account with a lot of personal information I had previously posted. I deleted the account thinking I could effortlessly restart.

I have made a mistake. Being a "new" user is hard.

My family is an xxxx GME HOLD/HODLR, there is no exit plan.

No cell, no sell.

My goal is to post in r/superstonk, better the community with my wrinkles, and actually make a difference in as many humans lives as possible.

With a new account, I need more help to do that.

Tl;dr I need help to post in r/superstonk, to make a difference and I'm asking nicely.

Be kind. Love is the answer. So is DRS, but we know dis.

Thank you all,
