Not my information specifically, How many shares have been registered by all shareholders through computershare from GME

You at 8:27, Sep 8:

I know the float is around 35 million, how many are accounted for through you guys

at 8:29, Sep 8:

Actually there are a lot of shares being purchased. People still are buying shares so its hard to provide a specific number of shares.

You at 8:29, Sep 8:

That's exciting! Able to give me a ballpark number? More than 2 Million?

at 8:30, Sep 8:

around 4-5 million and rising.

You at 8:30, Sep 8:

Wow!!
