****GREETING FELLOW APES!!!**** it is with a heavy heart that i am having to announce i will be stepping down as mod of this subforum. but first i want to assure you... ****IM NOT LEAVING GME.****

i bought my first shares in 2021 from a man selling magic beans. since then i also went back and bought some of the magic beans from his as well. they were ok.

after holding for over a year, my boyhood dream came true as i magically became a mod of r/gme!!! the user reaction to my modship was overwhelmingly supportive as seen in the post [here.](https://www.reddit.com/r/GME/comments/t6iwue/why_is_this_notorious_gme_meltdowner_a_mod/) i must admit, the heartfelt welcomes really got me in the feels.

****SO, WHY AM I STEPPING DOWN???** well for starters i just got a new job opportunity as a store manager for Bed Bath and Beyond. while i know its just a dying brick and mortar, i gotta pay the bills, man. luckily im in pretty tight with one guy that owns about 10% of the total company.

second, i need to focus on my music and acting career. i anticipate my stint as mod will give me enough internet clout to really take off. DM me for a link to where you can buy some of my music. as far as acting goes, ive actually allready starred as the romantic interest of hollywood darling Kate Winslet.

and finally, im stepping down for my own protection. as recently as Christmas Eve i somehow survived a nasty stabbing at the hands of a delusional redditor.

****BUT I WILL STILL CONTINUE HOLDING FELLOW APES! I MIGHT NOT BE A MOD BUT I WILL STILL CONTINUE THE FIGHT AGAINST MELTDOWN WITH MY BRAND IF SHITTY MEMES. AND I WILL DIVULGE A NEVER BEFORE SELFIE OF MYSELF TO SHOW THE WORLD I AM NOT SCARED!!!****

****SINCERLY, BOAT****
