Without (G)Me

Two stocks used to go side by side  
Side by side, side by side

Two stocks used to go side by side  
Side by side, side by side

Guess who's back

Back again

Gamestop is back

Tell a friend

Guess who's back, guess who's back

Guess who's back, guess who's back

Guess who's back, guess who's back

Guess who's back

They created a monster

'Cause nobody wants to see Mallshops no more

They want AMC, I'm the new silver

Well if you want AMC, this is what I'll give you

A little bit of weed mixed with some hard liquor

Some DD that'll jump start my heart quicker

Than a shock when I get shorted at the market

By the crocks when I'm not co-operating

When I'm rockin' the chart while he's manipulating

You waited this long, now stop debating

'Cause I'm back, I'm on the rag and ovulating

I know that you got a job, Gary Gensler

But your friends funds problem's complicating

So the SEC won't help me here

Or let me be me, so let me see  
They try to shut me down on CNBC  
But it feels so empty, without me  
So, come on and dip, bum on your lips  
Fuck that, \$CUM on your lips, and some on your \$TITS  
And get ready, 'cause this Stock's about to moon heavy  
I just settled all my trades, fuck you Kenny!  
Now this looks like a stock for me  
So everybody, don't follow me  
'Cause we get a little, volatiliiy  
'Cause it feels so empty, without me  
I said "This looks like a stock for me"  
So everybody, don't follow me  
'Cause we get a little, volatiliiy  
'Cause it feels so empty, without me  
Evil Hedgies, kids feelin' rebellious  
Embarrassed their parents still investing in ETFs  
They start feelin' like prisoners helpless  
'Til someone comes along on a mission and yells, bitch!  
A visionary, vision of scary  
Could start a revolution, pollutin' the airwaves  
A rebel, so just let me revel and bask  
In the fact that I got everyone kissin' my ass  
And it's a disaster, such a catastrophe  
For you to see so damn much of my ass  
You asked for me?  
Well I'm back  
Na-na-na-na-na-na-na-na-na-na  
Fix your damn market tune it in and then I'm gonna

Enter in, endin' up under your skin like a splinter

The center of attention, back for the winter

I'm interesting, the best thing since crediting

Investing in your shorts and nesting

Testing, attention please

Feel the tension, soon as someone mentions me

Here's my ten cents, my two cents is free

A shill, who sent? You sent for me?

Now this looks like a stock for me

So everybody, don't follow me

'Cause we get a little, volatilliy

'Cause it feels so empty, without me

I said, "This looks like a Stock for me"

So everybody, don't follow me

'Cause we get a little, volatilliy

'Cause it feels so empty, without me

A-tisket a-tasket, I go tit for tat with

Anybody who's talkin' this shit, that shit

Jim Cramer, you can get your ass kicked

Worse than them little Citron bastards

And Montley? You can get stomped by OBV

You sixty year old baldheaded fag, blow me

You don't know me, you're too old, let go

It's over, nobody buys a nintendo

Now let's go, just gimme the signal

I'll be there with a whole list full of new insults

I been dope, suspenseful with a pencil

Ever since Ghenkin turned himself into a pickle

But sometimes the shit just seems

Everybody only wants to discuss me  
So this must mean I'm disgusting  
But it's just me, I'm just obscene  
No I'm not the first king of controversy  
I am the worst thing since AMC  
To do green crayons so selfishly  
And it will get myself wealthy  
There's a concept that works  
Twenty million other naked shorts emerge  
But no matter how many stocks in the sea  
It'll be so empty, without me  
Now this looks like a stock for me  
So everybody, don't follow me  
'Cause we get a little, volatilliy  
'Cause it feels so empty, without me  
I said "This looks like a job for me"  
So everybody, don't follow me  
'Cause we get a little, volatility  
'Cause it feels so empty, without me  
Kids!
