What happens in the case of a broker dealer's insolvency ?

As a registered broker dealer, we are subject to the financial services industry rules set by regulators.

[FINRA has provided an Investor Alert with helpful

information.](<https://www.finra.org/investors/alerts/if-brokerage-firm-closes-its-doors>)

It just seems.....fortelling.

This all the way at the bottom.....way under all the links for DRS.....and we know they're all about GME.....and there's a bunch. Must have been inundated with questions so they created answer links. Keep in mind this is their OFFICIAL subreddit. Do they not put anything else out about other stocks.....on their...official subreddit?

I look forward to the broker dealer's insolvency.
