Someone at shitadel fucked up big time! GME below 100 is crazy for the apes. I'm just curious which genius thought it was a good idea to do this??? Was it the bot? Are they still using the bot? SHFs are gonna get murdered, way worse than what would have happened a few months ago... I mean if we are "apes" figuring out all this shit that they are pulling what does this make them? MAYO BOI HOW MANY TIMES WE GOTTA TEACH YOU THIS LESSON OLD MAN???
