I'm at 90% physical copy and 10% digital as far as my entertainment media goes and I have Hundreds of VHS and DVDs and THOUSANDS of retro/current games and consoles, Doo dads and trinkets, guides etc. GAMESTOP IS NOT DEAD! I will always support retail game shoppin

\#AND THE APES ARE HERE TO STAY!

Who else loves to collect physical media?

I would dump amazon prime video for this just for the principal it it came out digital but I hope to see both? either way

I like the stock.
