Well, IMHO and with some critical thinking I get to this...

The GME split hasn't occurred yet. And they live by "survive one more day." UNTIL THEY ARE AT THE END OF THE ROAD WITH NO MORE FUCKERY TO PULL, THEY WILL CONTINUE!!!!

These fucks are going to run the cliff edge right till they fall off.

NOW, MORE THAN EVER, YOU NEED DIAMOND HANDS!!!!

The price will not be a relevant factor until the day or 2 before they have to clean up the mess.
