Hello fellow apes!! Just a quick question... I have just set up my GameStop wallet so I sold my Revolut LRC to buy it back through GameStop wallet. I choose to buy via Wyre and pay with a debit card but there is a section I need to fill that says "decentralised administration". What should I fill in there in order to go through with my transaction?

Thank you in advance apes... Stay zen and DRS! See you at the moon ■ ■ ■
