The next battle for 180 will be the 20th since the sneeze last January.

Picture the scene...

Apes stand together battle weary. Facing the 180 legion of Mayo. All of a sudden, purple circles begin appearing in the sky. Long lost apes who have been disappeared start re appearing. The silhouette of DFV can be seen and suddenly he steps forward through one of the circles.

A banana in the shape of a hammer goes flying through the air and is caught by Captain GMErica.

He screws up his face and utters...

Apes... Assemble.
