Hi guys, europoor here. I am drsing some GME shares from IBKR. It says they are acknowledged. I think I have to wait them to be accepted. And then I am not sure what to do. After my shares are accepted, I call CS on Skype. And then what do I say. I only know that I want my letter to be sent from the UK office. But what do I tell them after that? I will be really happy if someone helps
